THE 1955 PINE CREST

Edited and Published by
The Senior Class
Morrison Cove Senior High School
Martinsburg, Pennsylvania

Foreword

Together we have shared the spirit of goodwill and fellowship. As the time draws near for us to separate, we wish to portray the life which we have thoroughly enjoyed at Cove High during the 1954-1955 school term.

In its portrayal, may it bring vivid memories of by-gone days to students of the past, instill in those of the present a better appreciation of their worthwhile opportunities, and inspire those of the future with a deeper sense of the basic value of the spirit which pervades our beloved campus.

We, the Senior Class, wish to express our gratitude for the support given us in the publication of this, the tenth annual of our school, the 1955 Pine Crest.

May it prove invaluable in the years to come.

Dedication

In the year of 1944 Miss Rosamond Ann Smith graduated as valedictorian of her class from the Morrison Cove High School. She went to Westminster College in the fall of that same year, majoring in Business Administration. After graduating from Westminster she started her teaching career at Morris Township High School from 1948 to 1951. In 1951 she started teaching in the Morrison Cove High School.

Miss Smith has spared no effort to help the students of Cove High throughout her teaching here. She has applied her time and talents to help make our school paper successful. She has also taken an active part in the Commercial and Dramatic Clubs at Cove.

We would especially like to thank her for the time she gave in helping make our junior and senior class plays a success.

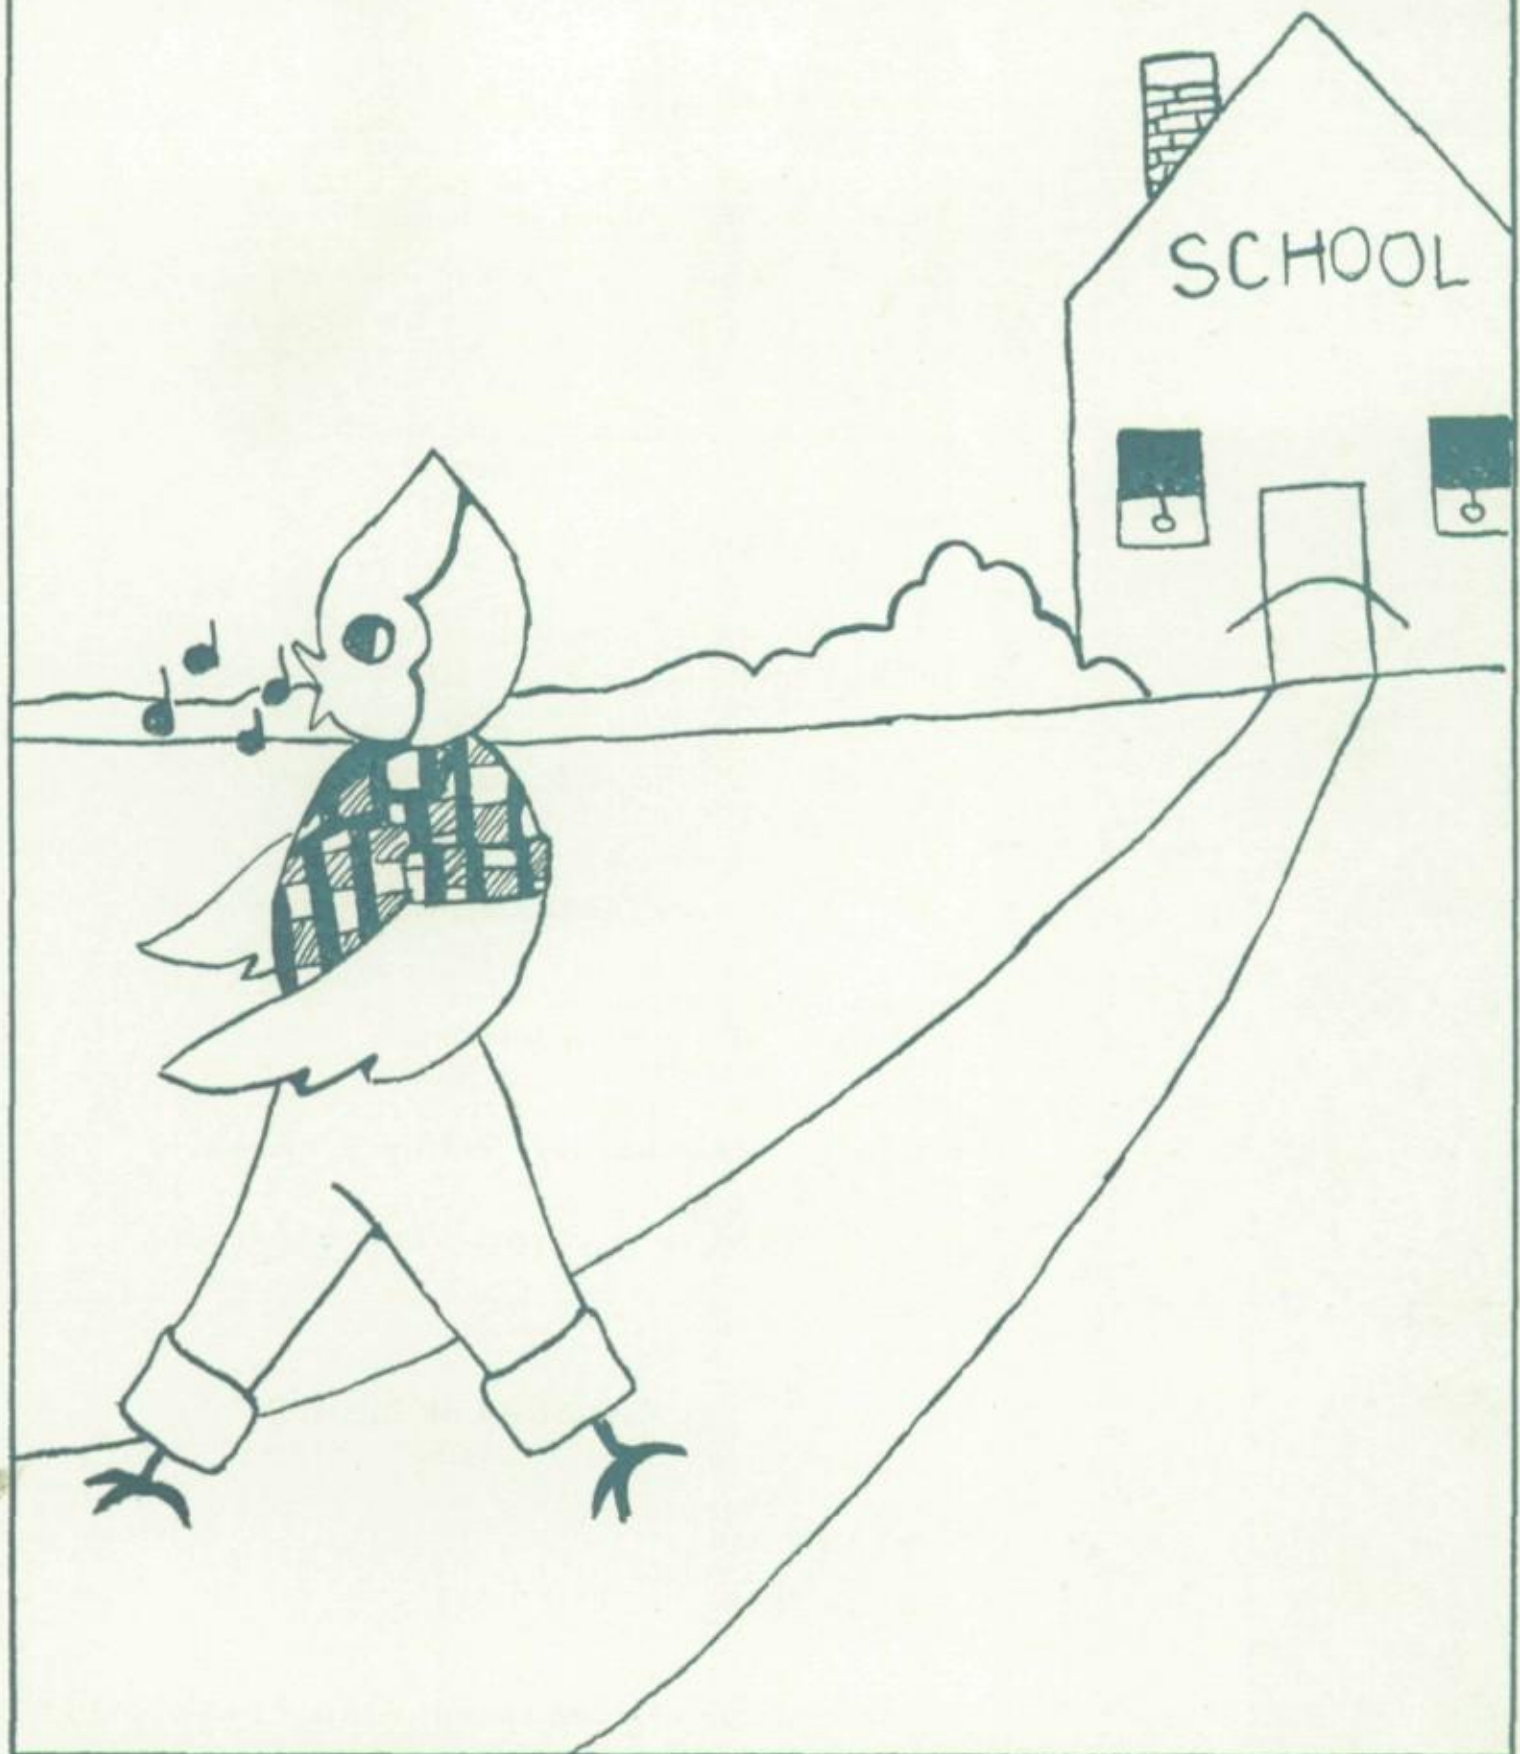

Miss Smith has been an excellent example of a good commercial teacher to all of her students. She has been and will continue to be tops in her field.

This is why we, the class of "55", take this opportunity to salute you, Miss Smith, with humble appreciation of your guidance.

Class Will

Being of sound will and sane mind, realizing that our time here is drawing to a close, we the class of nineteen hundred and fifty-five, hereby bequeath the following intangible assets:

To the Alma Mater: our loyalty in years to come.

To the school we leave radiators that whistle instead of clang.

To our fellow comrades of Roaring Spring we give our good fresh country air (they need it).

To the School Board we will the paper on which to draw up the blueprints for a new school building.

To the Junior Class: We will our vacant class rooms.

To the Sophomores: Our enthusiasm for next years track meet.

To the faculty: We leave peace and quiet.

To the cafeteria: We will a dog pound to help get rid of the canned beef.

Items:

Mr. Beach: A T.V. contract to replace Wally Cox.

Mrs. Porter: A class room done in Early American.

Mrs. Peightel: Flat sophomore sopranos.

Mr. Shaffer: We leave a pogo stick for convenient floor service.

Mr. Replogle: A helicopter for faster transportation.

Mr. Augustine: A boy scout uniform.

Mr. Moore: A baby blue Olds with pink seat covers.

Miss Smith: Another efficient typing class.

Mrs. Kensinger: An organized Office Practice Class.

Mr. Angst: A pipe and a pair of slippers.

Miss Davis: Our clean uniforms every Tuesday, and the extra minute for showers.

Mr. Frederick: A leather bound P. O. D. book, and our sincere appreciation.

Mr. Tomaszewski: A new vocational guidance office.

Mr. Gerhart: A bigger class room.

Mr. Porter: A seven room house with built in pipe cleaners.

Mrs. Burchfield: A clasp to hold her skirt up when coming down stairs.

Mary L. Ayers wills her quiet ways to Peggy Dilling.

Betty Beach wills her long finger nails to Jean Hoover.

Eva, Joan, Kay, Donna S., Doris C., and Anna Marie leave their diamonds to all young hopefuls.

Carol Brumbaugh and Anna Mae Burget will their Chumminess with Mr. Beach to George Beach.

Lou Anna Shirk bequeaths her tonsils to Mr. Beach for research purposes.

Jane Brumbaugh wills her musical ability to all future musicians.

Gary Gartland gives the job of supplying the girls with chewing gum to Gary Frye.

Robert Brumbaugh wills his throwing arm to Mr. Moore.

Don Burkets dark curly hair to Art Kennedy.

Marian Burns wills her ability to sing to Elsie Scott.

Joe Leach and Willie Brown bequeath their ability to fall asleep anywhere anytime to Denny Brown and Don Cunningham.

Marilyn Davis wills her mop of red hair to someone who needs it—Mr. Augustine.

Dick Hoover and George D. Smith leave their farming ability to Charles Barr and Joe Keller.

Carolyn Bush wills her slim waste line to Goldie Paul.

Ray Showalter gives his limousine to anyone who'd rather walk.

Donna Paul's blissful, spontaneous blushing to Dawn Imler.

Joann Ritchey wills her high jump record to anyone who can beat it.

Bob Leidy leaves his ability to make bright remarks in English and Chemistry class to Lee Forney.

Rex Beach turns his motor scooter over to Chief Fickes.

Hazel Kauffman bequeaths her lunch tickets to Richard Zook.

Dorothy Criswell wills "Punk" to next years class play.

Larry Ritchey bequeaths his weight lifting ability to Sam Shriver.

Pat Holsinger wills her love for "Bessie the Heifer" to Phil Hudson.

Marian Constance bequeaths her flying fingers to George Settle.

Richard Latchford wills his muscles to Regis Wagner.

Wayne Frederick bequeaths his turtle neck sweaters to Virginia Stoltzfus so she can hide her Adams apple.

Class Will

Paul Closson wills his short cuts to New Enterprise to anyone who might be interested.

Carol Teeter bequeaths her daintiness to John Szymchec.

Wayne Stonerook wills his love for hill-billy music to Mrs. Peightel and Mr. Fisher.

Linda Hudson leaves her short hair cut to Emma Jane Fisher.

Janet Summers wills her laughing eyes and curly hair to Judy Creighton.

Linda Nier bequeaths her braces to the new school.

Lys Martin wills her creative hair styles to Dottie Querry.

Frank Kiefer wills his crew cut to Jo-Andy Philips.

To Beverly Bonebreak, Richard Keith leaves his incomparable ability to chew 10,000 miles on a stick of gum, without a single retread.

Paul Hoover wills his blond hair to Nancy Smith.

Ruth Greenleaf wills her dimples to Marian Grubb.

Ronnie Klepser leaves himself for future use as scrub boy.

Dale Hoover wills his horn-rimmed glasses to Ronald Smith.

Patty Maurer leaves her "never give up" attitude to all the old maid bound girls.

Shirley Reed wills her roller skates to Mike Bowman to aid him in basketball.

Donna Snyder wills her ability to boil water without burning it to the General Home-Ec boys.

Kenneth Keasey leaves his washed-out appearance on Monday mornings to Marlene Wineland.

Wayne Brumbaugh wills his timidness of girls to all "fast" boys around school.

John Metzler wills "dead pan" to the aluminum drive.

Betty Mapes wills her love of night life to Gwen Stern.

Ola Metzker wills her lost pounds to Louise Wyant.

Romaine Slick leaves her P.O.D. discussions to Carol Hartman.

Joyce Frederick wills her 1954 hunting license to anyone who likes to go D--r hunting.

Jean Smith wills her stepladder to any future candy salesmen interested in seeing the basketball games.

LaDonna Longenecker wills her home making abilities to next years senior Home Ec Class.

George Smith Jr., leaves his customary silence to the old radiators.

Gerald Kauffman wills his last name to an interested sophomore.

Yvonne Longenecker wills her last name to the Giraffes.

Joan Pote wills her nicest perfume to the nearby cannery.

Don Brown wills his FFA jacket to Donna Roub instead of an Armstrong Heater.

Don Pheasant wills his name to all unlucky hunters.

Levi Dick wills his first name to the Western Jeans Co.

Donna Mae Hoover wills her worn out typewriter to the nearest dump.

John Brumbaugh wills his gift of gab to anyone who needs it.

Anna Grace McConahy wills her fair complexion to the Toni Company for Deep Magic advertisements.

Stella Marvich wills her ability to win friends to anyone who doesn't have any.

Shirley Albright wills her ability to attend one school and graduate from another to any energetic student.

Art Dodson wills his pretty blue eyes to George Settle.

This being our last will and testament, we the undersigned attest to the sincerity of the above facts and affix our names and the great seal of our extraordinary class on this our final legal document.

Class Prophecy

Just call me the guardian angel or more appropriately the little "dirty-birdie" of the class of 1955. Miny, miny, times have I been perched on the shoulders of these mighty seniors as they went about their chores and mischievous pranks. I know that, flying around these past few days of their secondary education years, these happy-go-lucky kids with their friendly smiles and pleasant words will never change—"and you just can't hardly get them no more!!"

I am now perched on one of the majestic spires of Cove Hi Castle and as I sit here in a Aves-daze I imagine myself flitting around and once more seeing my school chums.

As I was out exploring outer space, I felt a slight breeze follow close by me and slowed down as I figured my little "biddie-buddy" birdie friend was noiselessly sneaking up on me—when to my surprise I discovered that I was on the wing of a brand-new airplane entitled the "Leidy Livewire Lines." Remembering one of my former Cove friends I hopped in the window and saw Cove's Master Comedian, Mister Robert R. Leidy. (I suppose Bob thought it more economic to own his own airlines for those Emmaus business?? trips.)

Peering into the cockpit who should be sitting there, but Wayne Frederick! Uh-ho here comes the stewardess. Why should she be going in there? Oh, now I see, that's the former Linda Nier.—Always knew those two were up in the clouds.

As I flew back to the dining area, who should I see but Patty Holsinger! Listening in on a pleasant conversation between her and Linda, I learned that Patty is on her way, with her 1st prize winning painting of the All-Am. Football Star of the year, to an art convention opening in the great Metropolis of Curry Ville, where she will be greeted by the Democratic-bachelor-mayor, Gary Gartland.

Well, so much for that! Now since I have been reunited with a few of my Cove friends, I've decided to look up the rest of them.

Flying earth-ward, I was alarmed to see an airplane heading straight for me. Dig that cra-azy pilot with his eyes closed! Well, I might have known, it's none other than Ronnie Klepser in an air force uniform.

Finally arriving in Wen-Kroy City, I was absently window shopping along 5th Avenue when I came upon a beauty salon with this sign in the window, "Carol & Ruths' Glamour Galour Salon." Inside the plush salon I recognized Teeter and Greenleaf both talking to an old friend and their best patronizer, the former Lou Anna Shirk. She was telling them that her's and Anna Marie's sons were 1st baseman and pitcher, respectively, of the Blue Jay Junior League Baseball team, coached by Bob Brumbaugh during his vacation from assistant coaching the Brooklyn Dodgers.

Hearing the blasts and drum beats beginning a parade, I rushed along with the crowd to line up and watch. The leading car was a

new Cadillac in which sat the recently honored 4-Star General and his wife. Straining my eyes I discovered that she was our one-time friend, Lys Martin.

As the many units of the parade marched by, I became interested in a newspaper lying on the sidewalk. There on the second page was a large wedding picture of Donna Paul. Lucky she! Married her rich boss. Reading the elaborate ceremony description I learned that the former Joan Dodson was her matron of honor and Joan's small twin daughters were the flower girls.

Turning to the advertisement section I read such ads as:

"We manufacture unexcelled boxing gloves used officially at Madison Square Garden.—George Smith, Jr. & Frank M. Keefer, owner-operators."

"See the new Mercurys and Fords at Piney Creek's leading auto salesman, George D. Smith. Big savings on trade-ins.—(He always did have a good line.)

The movie announcements featured a large, half-page ad for the movie, "Mapes — All American."

This is considered the best movie of the year, not only because it portrays Betty Mapes & her winning the Women's Olympics, but because co-starring with her is Ken Keasey. Butch became famous as the bobby soxers dreamy pop singer and is now known nationally as filmdon's leading debonair actor.

The last ad was that of the opening of a new cooking school. It reads that Doris Cogan and Linda Hudson are the founders and also instructors of these speciality classes.

As the parade broke up, I pushed along with the crowd racking my bird-brain as to where I could find the rest of my old chums. Then I remembered that several of the girls wanted to be nurses, so I took off full-speed for the new Cove Hospital since it was to hire local girls as nurses.

Upon entering the hospital I was happy to see Ola Metzker greet the visitors as they walked in. She has a nice combination of stenographer-hostess job, and, always together, Betty Beach is head switchboard operator.

Flying into the main corridor and nurses lounge I recognized the faces of Joann Ritchey head nurse of the pediatrics division; and nurses, Anna Mae Burget, Carolyn Bush and Mary Lou Ayers coming from the children's ward.

Deciding to further inspect this marvelous institution, I next went to the kitchen where Donna Snyder and Anna Grace McConahy were head cooks.

When I got back to the visiting room I saw a large television set and several people were watching. So I looked too and discovered why they were so interested.

Class Prophecy

The program was introduced as "Strummin' Stoney and his Giddy Guitar," and the announcer is, oh my goodness, it's Shultz or maybe you know him as Kay Showalter.

"And now here he is, your hill-billy expert—Wayne Stonerook" . . .

"And now time for the sponsor."

"Kerrrr-chew! How to prevent this? Just buy Sneeze-Proof Tissues."

Why that girl sneezing is Donna Mae Hoover, hope this new invention helps her.

Don't switch channels mister, I want to see this. Oh well, I guess he can't hear me.

"TV station WFBG now presents their own popular trio, the 'Jems' with Jane Brumbaugh, Eva Stern, and Marian Burns.

"Thank you girls for that lovely song." Gee whiz, that's Carol Brumbaugh announcing. I read somewhere that she is known as "Cheerful Carol" and gives a witticism during each station identification. I also read that Eva and Marian are successful housewives and that Jane has been given the job as 1st girl Concert Master of the Philadelphia Philharmonic Orchestra.

Oh that man has switched stations again! Anyway I've still some more of my friends to see so I'll go hunt them up.

There's Romaine Slick's new home. It's a mansion! She had old friend and now professional interior decorator Jean Smith furnish it. Slick always said she'd have nothing that resembled a barn and this certainly doesn't, except maybe for size.

And here's LaDonna Longenecker's dress shop. She is now a very well-known seamstress.

Gazing more distantly I see the newly erected white farm buildings of Don Pheasant, who runs a truck farm, and Richard Keith who raises hogs.

As I flew still farther, I came upon a modern garage with this name. REX BEACH—MOTOR TRANSPORTATION & REPAIR GARAGE. I flew inside to look around, but instead of seeing Rex I saw Yvonne Longenecker. Vonnice is Rex's private and company secretary.

Further in the garage I recognized Gerald Kauffman & Levi Dick, mechanics, exploring the depths of a GMC motor. And was to later learn that the motor was from the tractor of Dale Hoover's truck. Dale was awarded the "driver-of-the-year" medal at a recent convention.

Seeing Yvonne's school chum Dorothy Crisswell walk into her office, I eaves dropped to hear these facts:

The latest rage is the rise of Wayne Brumbaugh and Paul Hoover to the blissful stage of millionarism. On a visit to New York and a popular quiz show, the two were asked, "What did the clam say when the crazy fisherman caught him?" These bright, but rather shy friends of ours said nothing; amazed the

audience; and won \$60,000,000.

Dorothy also was telling Yvonne that she had been to a lecture on North-African wild game, presented by Joyce Frederick, just home from her most recent and outstanding hunting safari.

Next rushed in Joanne Pote, just off duty. I see by her cap that she is a diabetic technician.

She carried a book of poems recently published by Nobel Prize Winner, authoress, Marian Constance.

When they started speaking about a circus arriving in town, I rushed over to watch the hustle-bustle of tent raising. Inside the structure I recognized the pert uniform of a WAC and the frilly skirts of show-acrobats. As I approached I recognized Patty Maurer as the WAC and Janet Summers and Shirley Reed as the trapeze artists.

Reading the billboard which advertised the many acts, I also read that the sponsor of the circus was the "Sleep n' Snore for Sure Co. I recall reading that the sleeping pill formula was discovered and perfected by top chemist Marilyn Davis and that it was bought and manufactured by Joe Leach and as a demonstrator he has hired Richard Latchford.

On my way back from viewing the circus activities, I passed a modern business shop which was listed as a typewriter repair shop operated by Art Dodson and John Brumbaugh.

The next was a nice home that had a sign in the yard reading, "Day Nursery—State Approved—Hazel Kauffman and Donna Lee Stevens caretakers"??

Who is that coming down the walk with her children? Why that's the former Dolly Brumbaugh.

After seeing all of these I decided to go back to the Cove where I knew that several of our studious ag boys have settled down in a co-operative farming town. They are Dick Hoover, Don Burket, Larry Ritchey, and Johnny Metzler. I guess they have a pretty nice set-up. They all work together and then on Saturday nights they invite entertainment in and also have their favorite actor, who is none other than Johnny, reproduce some of the plays that he has appeared in on Broadway.

I am now on my way back to Cove Hi. Oh yes, this new race track that Willie Brown, Cove's champion stock-car racer, has built for students having nothing to do in study hall but sleep, is a pretty good idea.

Roar-r-r-r-r-r-r Roar-r-r-r-r-r-r-r

My what is that noise? Oh, it's that new helicopter that brings the mail out to school.

Yes, that's how it is. Cove High still exists and is prospering as my '55 friends are prospering.

Good luck, class of 1955. Hope we all meet again.

Senior Class History

An excited yet confident new class entered the portals of Cove High on September 8, 1952, and have left a constant path of success ever since. On that eventful morning we, the class of '55 with 88 members began our journey through high school.

During this first year we eagerly participated in the track meet and magazine campaign and though we were defeated in both events, we had our share of the winning participants.

The following officers were elected who guided us successfully through our Sophomore year: President, Robert Leidy; Vice President, Eva Stern; Secretary, Marian Constance; Treasurer, Lys Martin; Historian, Helen Feathers; Athletic Representatives, Rhoda Wanca and Kenneth Keasey.

During the year six dropped out of the class leaving 82 members.

To climax the year an outing was held at Shawnee Park.

Seventy-six pupils returned to continue their education as Juniors on September 8, 1953 and again our undying spirit glowed throughout the year.

We captured second place in both the track meet and magazine campaign.

We were represented at Music Festivals, FFA and FHA Activities, various clubs in the school and on the Jayvee and Varsity Basketball squads.

Elections were held several weeks after school convened and we choose the following officers: President, Carol Teeter; Vice President, Lys Martin; Secretary, Jane Brumbaugh; Treasurer, Linda Stoudnour; Historian, Jean Smith; Athletic Representatives, Eileen Hoover and Robert Brumbaugh. We selected our class rings in September and were lucky enough to receive them the first week in December.

A very successful mystery comedy entitled "Finders Creepers" was presented under the direction of Mrs. Porter.

The middle of May found us busily preparing the gym and our program for the Junior and Senior Banquet which was held on

May 21 under the theme "Oriental Gardens."

We held only one class party, a gym party, which was very well attended.

The class gained one member but lost six.

Then on September 7, 1954 the long-awaited day had arrived; we were Seniors and seventy students were present to accept this new title.

Class officers were elected as follows:

President	Linda Nier
Vice President	Carol Teeter
Secretary	Donna Snyder
Treasurer	Jane Brumbaugh
Historian	Carol Brumbaugh
Athletic Representatives	Joann Ritchey Richard Hoover

We again saw defeat in the track meet as we placed second but the Magazine Campaign gave us a chance to shine. We won the campaign with little opposition and captured first place in every sense of the word. The top salesman and six other winners in the top ten salesmen came from our class. All senior homerooms were 100% in sales entitling them to large juicy apples and ice cream.

Our class play "Years Ago" was very successfully presented under the direction of Mr. and Mrs. Porter on November 12 and 13. It was a change from the usual comedies given here and was received with enthusiasm.

Again many of our class members represented the school at County, District, and State Musical Festivals. The FFA gained recognition by placing first in the state project contest while the FHA achieved honors at the State Farm Show.

A gym party was held on April 1.

On May 23, 24, and 25 we took our long awaited trip to Washington, D.C. Everyone reported a good time.

Seventy-two members of our class received their diplomas on May 31 and joined the ranks of the alumni.

May our unsevered spirit and ability to succeed scholastically serve as examples to oncoming classes.

Finders Creepers

On Friday and Saturday nights, April 9 and 10, 1954, the Junior Class presented their annual spring play. Finders Creepers, a mystery comedy, was well attended and enjoyed by all. Ken Keasey and Bob Leidy kept the audience rolling with laughter with their portrayals of Hercules Nelson and Wilbur Maxwell.

Little did Wilbur realize he was going to be visiting a mortuary. When they found themselves talking to a corpse the first night of their visit, confusion started! All's well that ends well, though, and after quite a commotion, everything was explained and back to normal again. The play was directed by Mr. and Mrs. Porter.

The cast:

Hercules Nelson	Bob Leidy
Wilbur Maxwell	Ken Keasey
Celeste Nelson	Joyce Frederick
Nina Quigley	Linda Stoudnour
Jason Quigley	Richard Hoover
Harry Schuster	Ronnie Klepser
Madeling Quigley	Marian Constance
Claude, the caretaker	Johnny Metzler
Daphne, the maid	Joann Ritchey
Aunt Mary	Donna Snyder
Uncle Bob	Wayne Frederick
Doctor Brown	George Smith
Granny	Romaine Slick

"Years Ago"

Friday and Saturday, November 12 and 13, were the big nights for the seniors when they presented "Years Ago."

The three-act play, with authentic, colorful costumes, was a performance that held the interest of everyone. Ruth Jones, a stage struck teenager, was well portrayed by Carol Teeter. When Ruth's father firmly stated that she could not go to the big city to try her luck in show business, trouble began.

However, at the end of the third act everything turned out well for Ruth, as her

dreams came true and she was ready to board a train for New York to begin her career as an actress.

The cast:

Ruth Gordon Jones	Carol Teeter
Clinton Jones	Johnny Metzler
Mrs. Jones	Jane Brumbaugh
Katherine Follett	Marian Constance
Anna Witham	Linda Nier
Fred Whitmarsh	Wayne Frederick
Miss Glavin	Ruth Greenleaf
Mr. Bagley	Robert Leidy
Mr. Sparrow	Kenneth Keasey

Class Poem

Enshrined within a wall of pines
 A hallowed structure has its site
 And there we found a knowledge store
 All ours, to reinforce our flight.
 Yes, ours to do with what we choose
 To take and use as we thought best
 For in it lay our future fate
 Our claim and right to happiness.
 We grasped that knowledge, mixed our thoughts
 And gained from them a clearer view
 Of what this life could hold for us
 And how we could improve it too.
 And now that time has beckoned us
 To leave these cherished halls behind
 May all who strive with earnest zeal
 Their long awaited goals now find.

UNDERCLASSMEN

Class of 1957

First Row—Grace Snyder, Peggy Reese, Don Ayers.
Second Row—Roger Hoover, Jean Snively, Connie Bowman, Donna Roub.

The first class meeting for the Sophomores was held to nominate officers and in the next meeting we elected them. The officers are:

President	Peggy Reese
Vice President	Don Ayers
Treasurer	Connie Bowman
Secretary	Grace Snyder
Historian	Donna Roub
Girls Athletic Representative	Jean Snively
Boys Athletic Representative	Roger Hoover

During the year several students have been unfortunate and spent time in the hospital. These students were Pauline Miller, Mary Glass, and Jo-Andy Phillips. The Sophomores voted to send cards to students who have been so unfortunate.

One student received an alarming call on December 6, informing her of the burning of her home. The Sophomores took up a collection to help provide the family with the necessary things they needed.

The sophomores won several honors in the track meet this year. Joann Criswell and

Bill Hall were first place winners. Bill was tied in another sport with Tom Hopple for first place. Donna Bankert tied with Joanne Ritchey for first and second. Joann Criswell and Phil Croft were second-place winners. Lenora Detwiler and Lou Anna Shirk were tied for second and third place.

We were competitors in the magazine campaign, but the seniors were victorious. We had a chance in the magazine basketball games, but the juniors won over the seniors and over us.

Two new teachers assisted us this year. In September, Mr. Tomaszewski came to Cove High as a guidance counselor. Miss Yoho replaced Mrs. Burchfield in February. Miss Smith and Mr. Beach have taught here previously.

We have enjoyed one school party this year. It was a gym party with games and refreshments.

Class of 1956

Seated—Dottie Query.

Standing—Beverly Bonebreak, Charles Barr, Shirley Brumbaugh, Nancy Dean, Mike Bowman, Marie Fortney.

Groups of Jolly Juniors dotted the halls of Cove High, greeting the new and old on September when they entered Cove High for one step further up the ladder of success.

Class elections soon got under way. The following people were chosen as officers:

President	Dotty Query
Vice President	Marie Fortney
Secretary	Nancy Dean
Treasurer	Beverly Bonebreak
Historian	Charles Barr
Athletic Representatives	Shirley Brumbaugh Mike Bowman

The selection of class rings was probably one of the most waited for occasions of the junior class. On December 1, after weeks of waiting, the rings were handed out, and everyone enjoyed showing off the rings to the other classes.

The day that will always be a memory to every junior was track meet day, when our fine class walked off with 105 1/6 points and top honors in various track events. Our junior class has been the first junior class to take first place in the track meet for many, many years.

The Varsity, as well as the Junior Varsity

squad, was well represented by junior boys. We feel that they contributed much to the success of the team as a whole.

The junior class owes special thanks to their class advisors, Miss Davis, Mr. Frederick and Mr. Gerhart. Their guidance and help are appreciated.

The comedy production, "Off the Track," was presented very successfully under the direction of Miss Phyllis Yoho.

The junior class began school with 96 members, but we must say regretfully that we have lost four of these members.

Our class came out with flying colors in the magazine campaign with \$737.21 in total sales which gave us second place.

On March 9, the magazine campaign games were played. The class teams won every single game that was played. Another victory for the Jolly Juniors.

Next year, as the juniors stage their "final scene" in the great school drama, we shall be looking forward, with eagerness, the time when we too, can take our place as seniors at Morrison Cove High School.

With the resignation of Lemmon C. Stoudnour in June, 1954, the question of jointure was reopened. After considerable deliberation and conference, the Roaring Spring Boro School District was added to the Morrison Cove Jointure. This completes the County Plan for this area, with the exception of Freedom Township which, according to the County Plan, has been assigned to this area.

A new agreement was drawn up which provides for two high schools: the Morrison Cove Junior-Senior High School to take care of the pupils in this area and the Roaring Spring Junior-Senior High School to take care

of the pupils in that area. A building program for this area provides for a new wing to be added to the present Cove High building. This will include a new gymnasium, a new cafeteria, a library, agriculture and industrial arts shops and a home economics department. When completed, this will provide facilities for 700 to 750 pupils, grades 7 to 12.

When the building program is completed, all elementary pupils in the Joint District will be housed in graded buildings, grades 1 to 6. No appreciable change can be made until the building program is completed. Plans for this are progressing as rapidly as possible.

The varsity squad began the 54-55 basketball season with 13 players. This number was reduced, somewhat, when two players dropped out. The remaining eleven players had a very successful season, winning 13 games out of 21 and setting a new high score record by scoring 75 points against Claysburg, ending the season in third place of the Juniata Valley League. This winning streak can be contributed to the good team work of the squad and the successful coaching of Frank Moore.

Bob Brumbaugh, top scoreman, was selected for the All-Juniata Valley League first team and also voted as one of two leagues best

defensive players. Those receiving honorable mention were Kenneth Keasey, Gary Frye and Mike Bowman.

We must also extend our thanks to the students of Cove who loyally followed the team from one school to another, cheering them on to victory and never giving up when the going got rough.

To these, the varsity squad, Coach Moore and the studentbody, we, the class of "55", express our deepest appreciation and the sincere best wishes to those who will follow in our footsteps.

The real spurs behind the basketball and baseball teams this year were Mr. Moore and Mr. Angst.

Mr. Moore, our varsity coach, came to Cove four years ago after graduating from Pennsylvania State University where he played varsity basketball for two years. Together with this experience and his own reasoning power, Coach Moore lead our team on to victory.

Mr. Angst, our junior varsity coach, has been with us three years. When he first became coach of the jayvees he put his whole efforts into making the jayvees a success, and this year was one of the most successful he has ever known as coach.

So to you Coach Moore and Coach Angst, we, the graduating class of "55", wish to extend our thanks for your time, efforts and consideration and may the future hold victory after victory for you and the up-and-coming teams.

Beside the coaches, cheerleaders and student body a big asset to our basketball squad was the managers. This team of five boys scurried around taking care of everything from score books to shoes.

This year Wayne Frederick, senior manager, also served as scorekeeper and did an excellent job for which he received his varsity letter.

The junior managers were Phil Pheasant and Earl Smith, both of who received their junior varsity numerals while Alva Burget and Darryl Brumbaugh were the sophomore managers. These boys took care of balls, jackets and towels, making sure everything taken to a game was returned to the dressing room afterwards.

Thanks for your capable management and may the managers who follow you be as efficient.

Junior Varsity

The jayvees squad had a very successful season winning all their exhibition games and continuing through the first cycle of the league season undefeated. In the second cycle two games were lost in close decisions. They finished the season with a record of 19 wins and 2 losses. With this record, basketball should be very promising for Cove in the coming years.

Cheerleaders

Looking very neat and chic in their blue and white uniforms our cheerleaders have helped cheer our team onto victory throughout the basketball season. We, the class of "55", would like to take this opportunity to thank them for their spirit and vitality throughout the season. They have not only been loyal but have held up high ideals in thought, word and deed.

Leading our squad this year was Ruth Greenleaf. Ruthie is a senior and has stood by our team as a cheerleader for the past three years. Thank you, Ruthie, for your time, talents and fine showmanship.

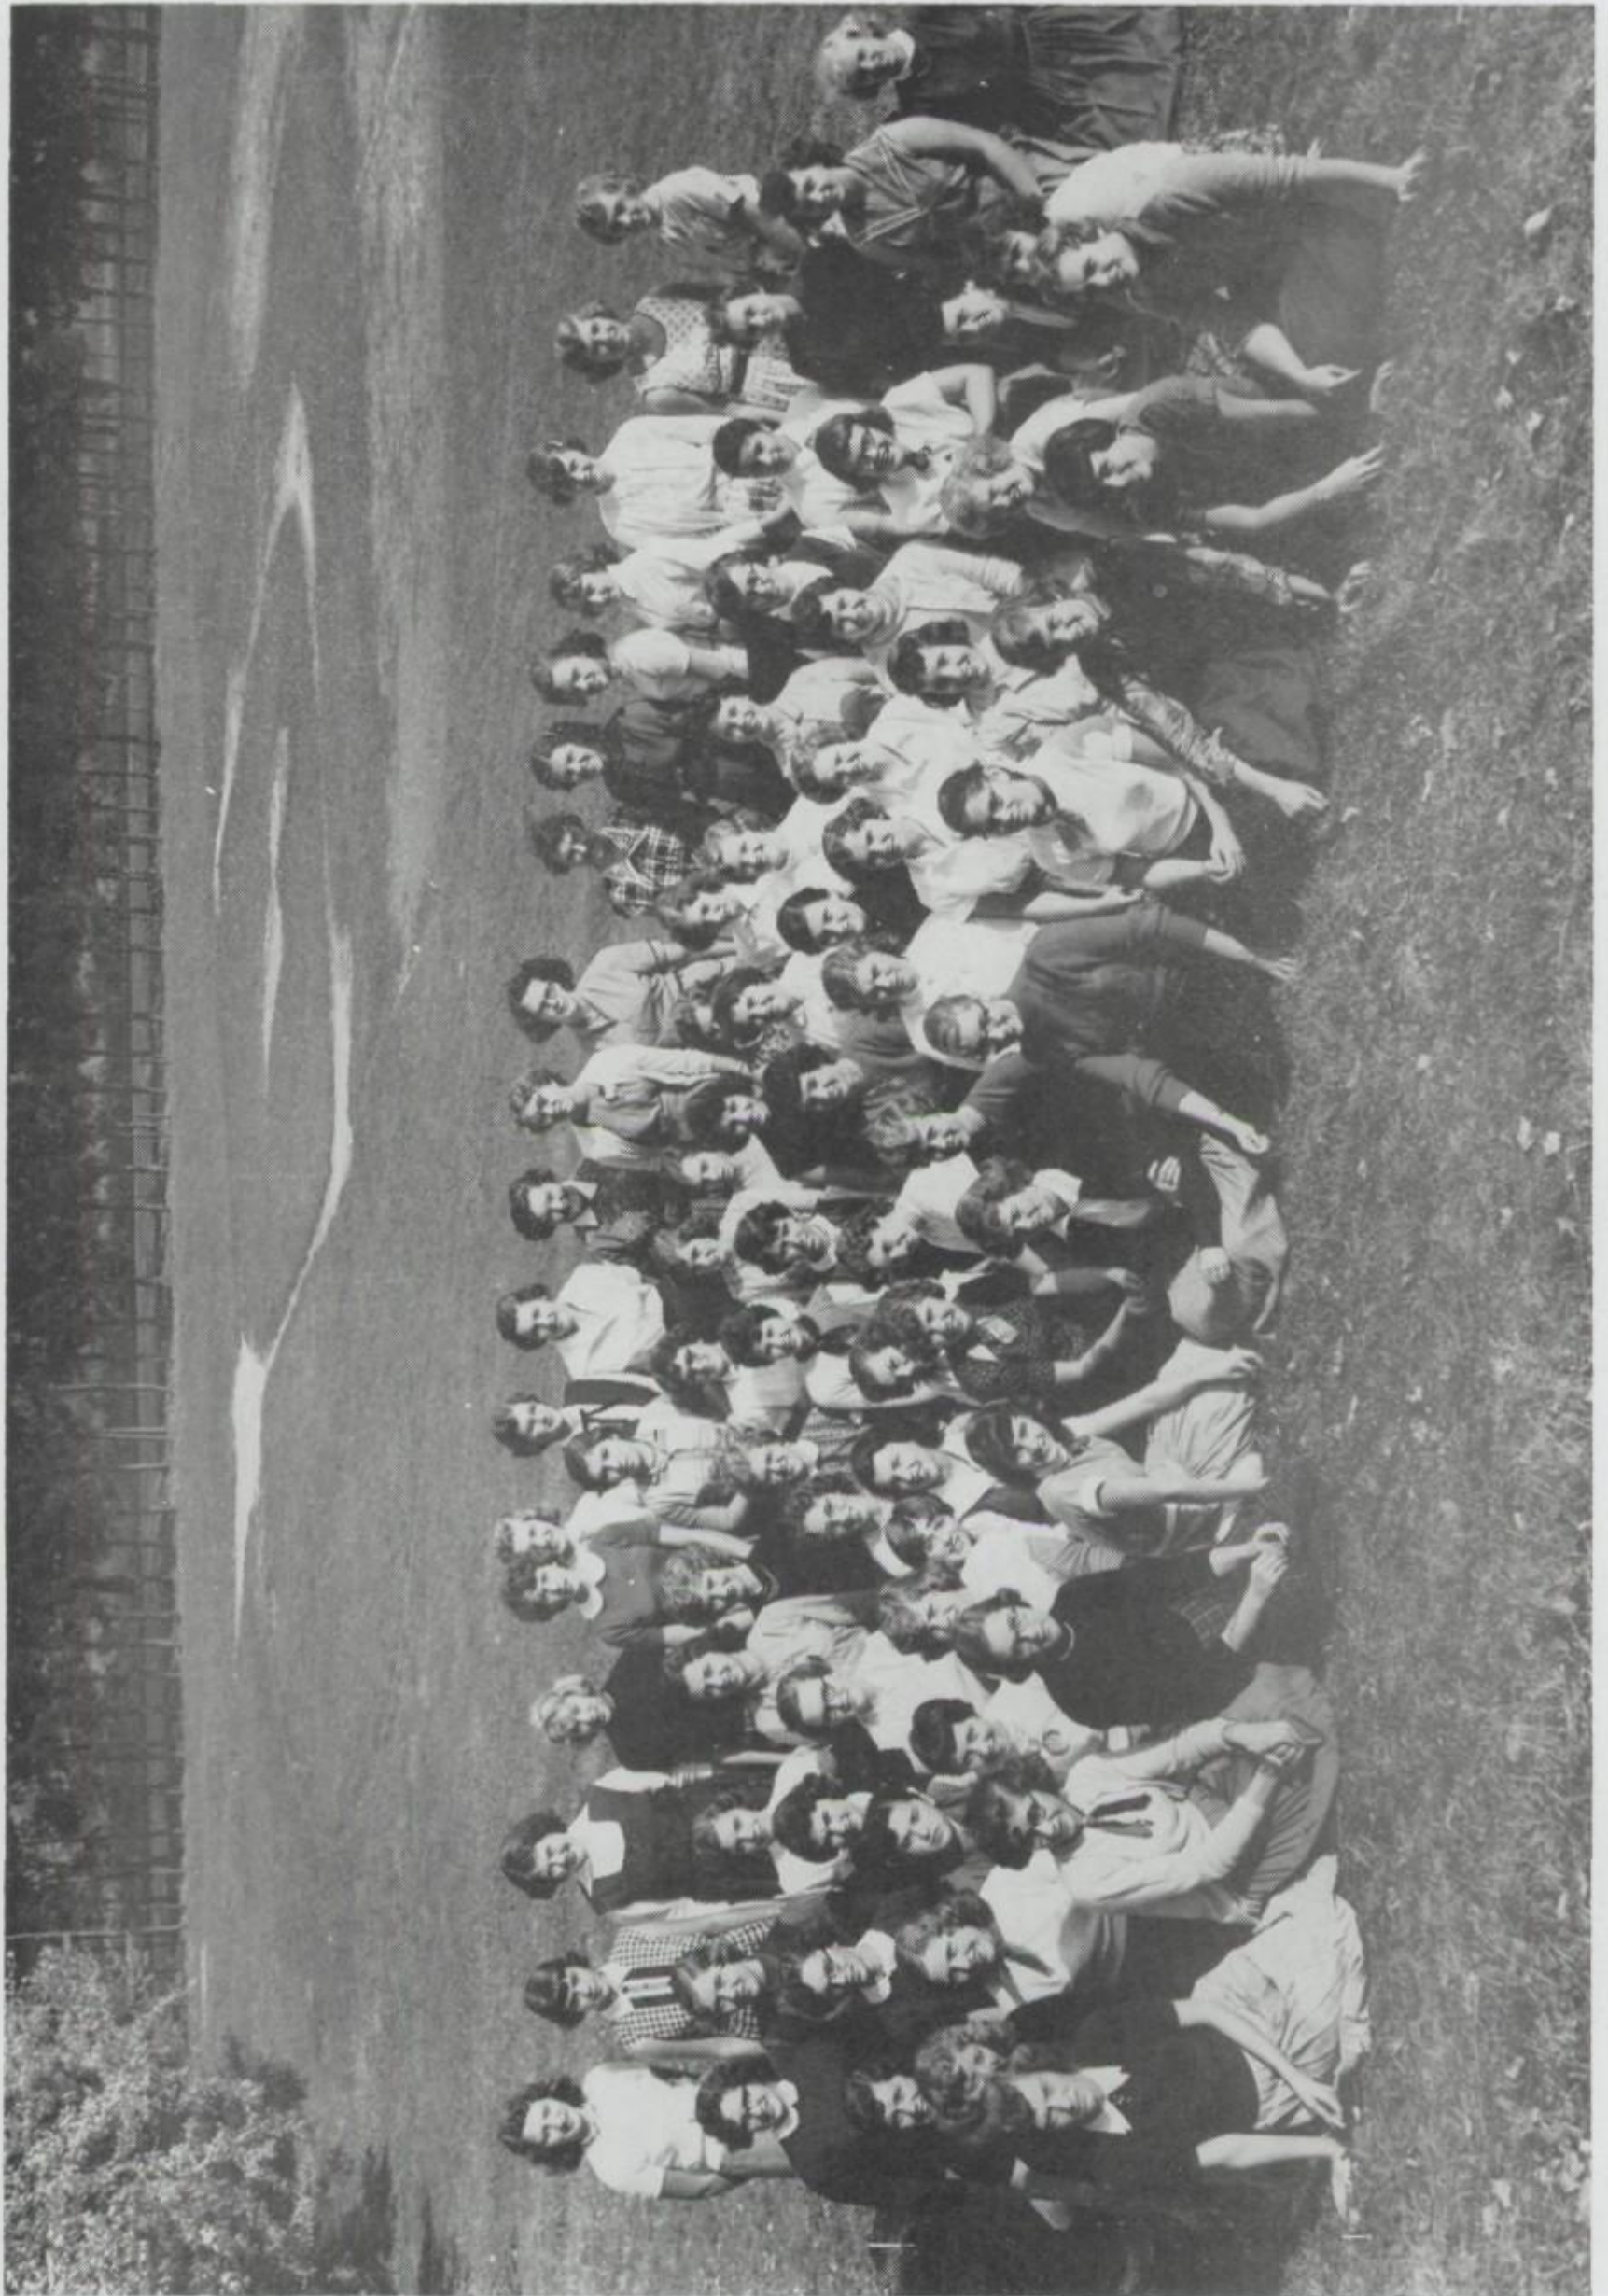

Carol Teeter who joined our squad last year as a junior has followed through her senior year to stand by our team. Thank you Carol for your vim, vigor and your loyalty as a cheerleader.

The two juniors supporting our team this year as well as last are Emma Jane Fisher and Louise Smith. Thank you, girls, and good luck in the future.

Shirley Cornelius, Annette Shaffer, and Connie Lou Nicodemus joined our squad this year and did a fine job in representing the sophomore class. Thanks for your support.

We, the class of "55", salute you.

Girls' Athletic Association

1954 - 1955 Track Meet Winners

1st row—Ruth Greenleaf, Carol Teeter, Joann Ritchey, Lou Anna Shirk, Donna Bankert, Nancy Dean, Beverly Bonebreak, Dotty Querry, and Joan Crisswell.

2nd row—Don Brown, Richard Hoover, John Brumbaugh, Wayne Frederick, Gary Gartland, and John Metzler.

3rd row—Bill Hall, Tom Hopple, Art Kennedy, Philip Hudson, Wayne Stonerook, Mike Bowman, and Philip Dilling.

The track meet with all its colors and enthusiasm was held on October 21. It was quite evident with the spirit among the students that this was going to be the track meet of track meets.

In the early events the juniors built up an insurmountable lead, but in spite of the shortage of manpower the seniors finished only 19 points behind.

This year five new school records were established. In the event of triple-standing broad jump, Beverly Bonebreak broke the old record of 21 feet 3 inches by $3\frac{1}{2}$ inches. The class of "55" set a record in the girls' re-

lay by eclipsing the old mark of 54 seconds by 1 second.

Mike Bowman hurled the discus the total distance of 109 feet, 5 more than the 1954 record. Phil Hudson broke his own record of 149 feet by 16 feet in the football throw. Phil Dilling, in the boys broad jump, set a new record of 18 feet 11 inches, 9 inches farther than the previous record.

This is the first time in 11 years that the juniors won the track meet. Many of these records may be surpassed in the future but it is doubtful that any group will show more enthusiasm and class spirit as all three classes exhibited in this years track meet.

The Athletic Council

Standing behind our athletic program is the Athletic Council consisting of a faculty member to serve as president, a faculty member to serve as secretary, the boys' and girls' physical education instructors, the junior varsity coach, and a boy and girl representative from each class.

The purpose of the council is to give the students a voice in all decisions concerning our athletic program and to share the responsibilities involved.

The duties of the council this year have been to help plan the schedules for our interscholastic basketball and baseball games, to decide the admission prices for these games,

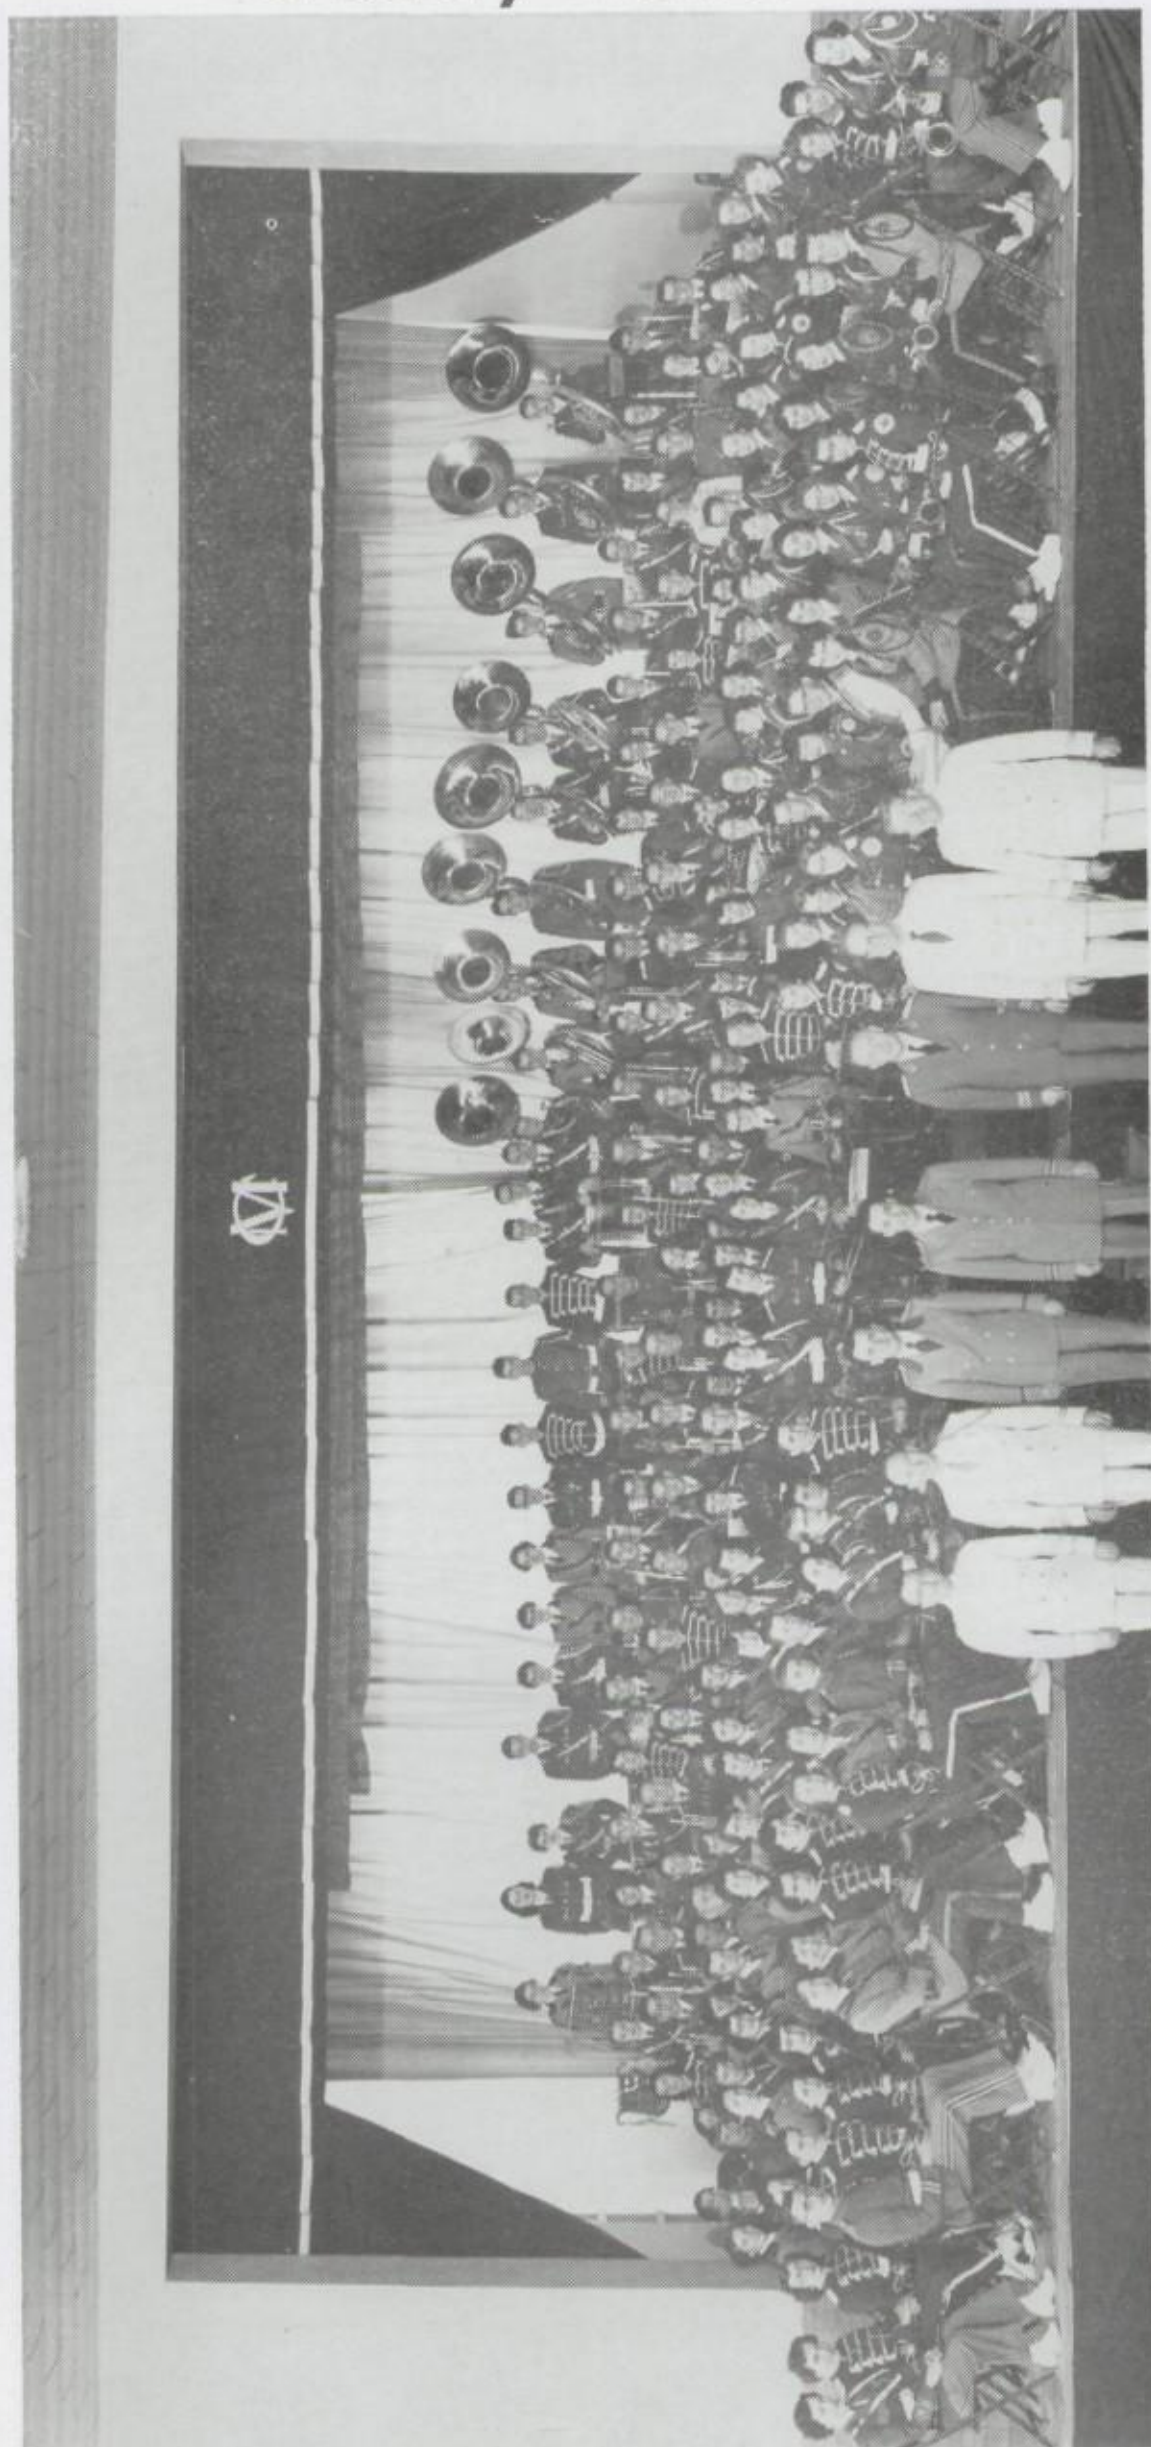

to make rules concerning the athletic awards given to our students, to make decisions on the basis of electing cheerleaders, and to draw up an activity period schedule consisting of intramural games. These facts plus others that have not been mentioned can be summed up into the general statement that the athletic council has been the one big factor that has made our athletic program as good as it is.

We look forward to the time when the Athletic Council will become a stronger, more active organization with a keener sense of its duties and hope that each new member of the council will willingly give of his time, loyalty and school spirit to make it so.

ACTIVITIES

County Band

Our Band

One of the busiest organizations of our school is the band. Not only are we busy during the school term but also during the summer months. Last summer we participated in five parades, in a combined band concert at Claysburg High School with the bands of Claysburg, Hollidaysburg, and Tyrone, and in Blair County Day at the Bedford Fair. We gave concerts at the Ox Roast and Community Picnic.

During the school term we gave a concert at the Community Fair, took part in two Halloween parades, and attended Band Day at Penn State University. We played in our Christmas assembly and in the Music Festival held at Cove High during Music Week, the first week in May.

We were privileged to play host to Blair

County Band, March 18, 19. The following musicians represented our school: Joe Keller, Patty Holsinger, Peggy Reese, Jane Brumbaugh, Carol Brumbaugh, Carol Jean Nicodemus, Shirley Brumbaugh, Eddie Burket, Marion Grubb, Anna Mae Burket, Esther Kagarise, Joyce Steele, LeRoy Forney, Linda Nier, Jean Smith, Beverly Bonebreak, Emma Jane Fisher, Robert Ritchey, Wayne Frederick, Dorothy Querry, Charles Barr, Peggy Dilling, Don Burket, Eddie Ebersole, Joyce Frederick, Linda Kerr, Gordon Bowers, Sally Nicodemus, Alva Burket, and Steve Wareham.

Five members from our band were chosen to attend District Band at Reedsville, April 14-16. They were: Jane Brumbaugh, Jean Smith, Emma Jane Fisher, Beverly Bonebreak and Joe Keller.

Our Orchestra

"Alright, alright! Time to settle down!" Those are the words of Mr. Paul Fisher, director of our school orchestra, as another Wednesday morning rehearsal begins. The orchestra, although it has not played as a whole unit for any school functions this year, has been well represented at many other activities.

The members of the orchestra who at-

tended District Orchestra at Lewistown, January 13, 14, and 15 were: Jane Brumbaugh—First Violin, Eva Stern—Second Violin, Emma Jane Fisher—Viola, Beverly Bonebreak—Bass Violin, and Donald Burket—Trombone. Jane Brumbaugh was Cove's representative at State Orchestra held at Mount Union, February 3, 4, and 5.

Oratorical and Essay Contest

ORATORICAL

"It is the future concern of all of us as democratic citizens to help support our government. It is a necessity as well as an obligation that is placed before us. We are the people who make up our government and only we can operate it. Why then, do we squirm when the government strikes at our pocket-book? Simply because it is human nature to grasp and hold what we have worked and sweated for." — Carol Teeter

"If we, as American citizens, really believe in our Constitution, we must have a means to protect it. What better protection could we have than a Supreme Court?" — Linda Nier

Again this year the American Legion sponsored a competitive oratorical contest between Roaring Spring and Morrison Cove High Schools, the subject being on any phase

of the Constitution.

The final decision of the judges placed James Ake, Roaring Spring, first; Carol Teeter, second; Linda Nier, third; and Gary Johnson, Roaring Spring, fourth.

ESSAY

"Each of us is a part of a whole nation. If each of us strives to do his best, then a whole nation working together can accomplish much. In the end we can say we helped to promote democratic citizenship because we were a part of this group." — Marian Burns

The Legionnaires of Pennsylvania sponsored an essay contest on the topic, "My Method of Promoting Democratic Citizenship." Every senior was required to submit an essay. A committee of teachers judged the essays and awarded first place to Marian Burns.

Pine Whispers

Another school year has been recorded in "Pine Whispers".

A new staff took charge and through the school year published eight issues, the first being issued on the first day of school. It would not have been possible without the splendid co-operation between the editors and reporters. They are to be congratulated for a job well done.

Money raising projects used this year were subscription sales and candy sales. Amounts earned from these campaigns, combined with a sum from the year before, enabled "Pine Whispers" to continue as a self supported organization.

Our thanks are gratefully extended to our advisors, Miss Smith and Mrs. Kensinger. Without their aid we could not have published the paper.

"Pine Whispers" is a member of the Central Pennsylvania Scholastic Press Association.

MOTTO: Learning to do, Doing to learn,
 Earning to live, Living to Serve

THE MORRISON COVE CHAPTER of Future Farmers of America appreciates the privilege of being a part of the 1955 Pine Crest. This year the chapter membership roll includes 54 in-school members, 15 associate members and five honorary members. At the Junior High this year there are 18 ninth graders enrolled one day per week in agriculture who will become greenhand members next fall when they enter Senior High.

Cove High Chapter now has on its records 16 boys who have earned the State FFA degree, better known as the Keystone Farmer degree. The chapter is proud of these 16 fellows because the number of Keystone Farmers is limited each year to one percent of the state membership. During the past three years,

Cove Chapter has been above this percentage figure on the basis of local membership. This places the Cove Chapter in the Gold Emblem Classification on a State and National Basis. During the summer of 1955, Cove Chapter will have its first application for an American Farmer Degree. Clayton Shriver, our keystone farmer of the class of '52 is the applicant.

Many outstanding accomplishments have come the way of Cove FFA this year. The over-all farming scope of the members sets a new high. When all farming programs were completed and totals made, it was found that the total labor income approached the \$30,000.00 figure. This was an increase of better than \$9,000.00 over 1954.

Chapter owned livestock now includes seven Sears Heifers, five Yorkshire Gilts and three Hampshire Gilts.

Future Farmers of America

The class of '55 has a very enviable record in that they have broken a record set by the class of '53 which boosted five Keystone Farmers. This class tops all records by previous classes with six Keystone Farmers. The members of '55 who attained this achievement for the chapter and for their class were: Donald E. Burket, Richard Keith, George D. Smith, Richard L. Hoover, Paul Closson and Donald Pheasant. These boys have succeeded in receiving the highest honor bestowed upon any FFA boy in the state.

Donald E. Burket, this year's chapter president and Blair-Bedford-Fulton Area FFA president carried off another honor by being named Regional Star Farmer of our 18 County Region and was runner-up for State Star Farmer.

The Morrison Cove Chapter took two firsts in the 1954 project contests. First in the area and First in the state. Fifteen chapters competed in the area contest and approximately 300 chapters entered books in the state con-

test. In the area contest, Cove boys won 65 Gold, Silver, Bronze and Honorable Mention placings and 7 plaques. To rank highest in the State, Cove FFA members earned 15 gold medals, 4 silver and 6 bronze medals. This gave Cove a total of 142 points for first place. The second place chapter in the state earned 109 points.

In addition to point and medal winnings in the state contest, individual winnings were:

In Farm Bureau's Corn Growing Contest, Donald Baker, '56, won second place in Region 4 of Penna., and Harold Guyer, '56, won third place in Region 4. Production Credit awards for the Hollidaysburg Region went to Donald E. Burket for the best Farming Program and to Richard L. Hoover for second best Farming Program. Also the second, fourth and fifth place awards from Interstate Milk Producers for outstanding Dairy Accomplishments went to Donald Baker, '56, George D. Smith, '55 and Eugene Smith, '54 respectively.

Future Homemakers of America

The Morrison Cove Chapter of the Future Homemakers of America had a membership of forty girls in the school year 1954-55. Those girls who were taking, or had taken, Vocational or General Homemaking in high school were eligible to join. Meetings were scheduled for the third Thursday of each month.

September 16 . . . Jane Pheasant, President

1953-54, installed our officers. Martha Longenecker was awarded her Junior Homemaker Degree.

October 16 . . . Eleven members, Mrs. Alton Pote and Mrs. Porter drove to Ligonier to the Region B Rally. After a short business meeting, the group was dismissed because of the hurricane that had hit Ligonier the night before.

November 20 . . . Several of the members observed the Story Hour at the Martinsburg Library. After this one, the FHA took charge of the Story Hours for the rest of the year. Special Christmas and Valentine parties were arranged.

December 18 . . . A Christmas party was held at the school for the FHA members.

January 7 . . . The annual assembly featured our version of two television shows, "This Is Your Life", using Jane Brumbaugh's life, and "I've Got A Secret" with students and teachers on the panel.

January 12 . . . A bus was chartered and all the club members went to the Farm Show in Harrisburg.

January 26 . . . We held our annual FHA and FFA Mother, Daughter, Father and Son

Banquet at the Park. At this time, we awarded the Chapter Homemaker Degree to Martha Longenecker and the Junior Homemaker Degree to Margie Bush, Naomia Heidler, Donna Helsley, Alice Hoover, LaDonna Longenecker, Laura Jane McConahy, Pat Maurer, Connie Merkel, Ruth Pearson, Shirley Reed, and Donna Snyder.

February 16 . . . The FHA girls gave a Valentine Party for the FFA boys in the gym.

March 19 . . . Club members chartered a bus and went to the high school Home Ec. day which was planned and sponsored by the Home Economics Department of the State Teachers College at Indiana.

April 2 . . . Six of our members appeared on the Region B program in Mercersburg. They acted in a fifteen minute play that was written by a group of other members.

May . . . We held a fashion show and tea for the girls' mothers and sisters. Garments that had been made in homemaking class during the year were modeled by the girls who made them.

Future Homemakers of America

Future Teachers of America

An important organization, seeing its first existence at Cove High is the F.T.A. (Future Teachers of America). F.T.A. is a national organization which grew out of the Horace Mann Centennial in 1937 when it was established by the N.E.A. (National Education Association) Assembly.

The purpose of our club is:

1. To encourage young people to cultivate in themselves the qualities of personality and character which are the foundations of successful teaching.

2. To acquaint young people with the inspiring story of the schools, the part free schools have played in the development of our democratic way of life, the heroic pioneering associated with their establishment and

expansion.

3. To provide young people with the specific information about opportunities in the various fields of education.

Mr. Tomaszewski is our noteworthy club advisor.

The acquaintance of F.T.A. in our school will give us the opportunity to develop a growing, active, and profitable club. F.T.A. is a nationwide movement to which any student may be proud to belong.
